GUIDELINES FOR MARRIAGE LICENSES

All of our chapel ceremonies require a marriage license. To get your license you will need to come to the chapel and our staff will assist you with this process. This is included in all packages.

All marriage licensees are issued by the Elko County Clerk's Office. They are open Monday through Friday. Both parties need to be present to obtain a marriage license and you will need a valid Photo I.D. Special requirements apply to those under 18 years of age.

Dedicated to fine customer service, Blooms & Grooms welcomes you to take a break, and let the best of our staff take some of that Wedding Day stress away. Our mission is to make this day as stress-free as possible. We are here to accommodate your every request, from your wildest to the most elegant ones.
